SUPERINTENDENT'S REPORT

To the School Board and Citizens of Swanzey:

I have the honor to submit my fourth annual report.

BUILDINGS AND GROUNDS. During the summer of 1928, in addition to the usual minor repairs, the followning major projects were completed:

(1) New heaters installed at Westport and Number Nine.

(2) Number Nine building painted inside and out.

(3) At East Swanzey the upper room was repainted and new furniture installed.

(4) New cement sidewalks were built leading to the entrances of the Cutler and Swanzey Center Schools.

(5) The primary room at the Cutler School was greatly improved with a new steel ceiling.

(6) At Westport the well was deepened and a new pump set thus providing an adequate supply of water on the premises.

Thus another great stride has been made in the improvement of the school property.

I feel that the following matters should receive attention as soon as funds are available:

(1) Another steel ceiling and another room equipped with new furniture at Cutler School.

(2) Grading of front yard at Swanzey Center and cement floor in the basement.

(3) Additional playground space at Cutler and Swanzey Factory Schools. This problem is to be considered in article 8 in the warrant.

(4) Unhygienic three-side lighting should be eliminated at the Cutler School. My predecessor recommended this consistently before he left and I have referred to it before. I believe the school board's budget will take care of this.

HEALTH. You will find elsewhere in this report the tabulated results of the physical examination of the children. I urge upon all parents to give attention to such easily remedial defects as defective teeth, Hyperthrophied tonsils and adenoids. The report on teeth was made before the dental clinic of the past fall. Nearly one hundred children received attention at that time. But very little has been done in regard to tonsils and adenoids. The treatment of these defects will not only materially improve the general health of the children affected, but will also materially enhance the chances for success both in school and in life.

TEACHERS AND PUPILS. The Misses Helen and Bernice Lagerquist who had rendered most meritorious service at the Cutler School for several years resigned to accept more lucrative positions in Watertown, Mass. I bespeak for them the best of success in their new fields of labor. To succeed Miss Helen Lagerquist the Board elected Miss Marion Molloy of Nashua, a graduate of Keene Normal School in the class of 1928; to the position formerly held by Miss Bernice Lagerquist, Miss Beatrice Segar of Brandon, Vt., a graduate of Castleton, Vt., Normal School was elected. During the year Miss Beatrice White resigned her position at Number Nine, and Miss Flossie Rolf of West Swanzey was secured for the balance of the year. The Board was very fortunate in being able to secure for this school in the fall Mrs. Bessie Twitchell a teacher of experience. With these three positions filled as noted above and with the nine others who have been with us for some time we embarked upon the work of the year. I think the work of the teachers and pupils has been of the usual high order.

In concluding this brief report I would be ungrateful indeed if I did not express my very deep appreciation to the School Board for their cordial and perfectly harmonious efforts in the interest of education in Swanzey, to teachers and pupils for their loyalty and co-operation all along the line, and to parents and patrons of the schools for their kindness and interest that has been manifested in so many ways.

Respectfully submitted,

WESLEY H. DOUGLASS,
Superintendent of Schools.

Winchester, N. H., Feb. 16, 1929.

RACIAL PROGRESS MARCHES UPON THE FEET OF HEALTHY AND INSTRUCTED CHILDREN. THERE SHOULD BE NO CHILD IN AMERICA THAT IS NOT BORN AND DOES NOT LIVE UNDER SOUND CONDITIONS OF HEALTH; THAT DOES NOT HAVE FULL OPPORTUNITY OF EDUCATION FROM THE BEGINNING TO THE END OF OUR INSTITUTIONS; THAT IS NOT FREE FROM INJURIOUS LABOR; THAT DOES NOT HAVE EVERY STIMULATION TO ACCOMPLISH THE FULLEST OF ITS CAPACITIES.

HERBERT HOOVER.
